

Raspberry Pi Product Change Notification

RPI-PCN-Mouse-001

Notification date:

4th January 2021

Title:

Change of cable length

Product Identification:

Raspberry Pi RPi Mouse

Reason for Change:

Increase length of USB cable from 60cm to 75cm.

Change Description:

No impact on product electrical performance. Change has been made in response to customer feedback for a slightly longer USB lead.

Mechanical (Form, Fit, Function) Changes:

Only changes the length of the USB cable

Firmware Changes Required:

None.

Transition Date(s):

The new part will be phased into manufacturing as a rolling change from January 2021.

There will be a transition period where both old and new lead length are available in the distribution channel and Raspberry Pi4 and Raspberry Pi400 kits.

Issued by:

Date: 4 January 2021
